## Growth Groups

Growth Groups are small groups of people meeting in people's homes fortnightly. The objective of these groups is to:

- grow closer to God through prayer and Bible Study,
- closer to each other- having fun, being friends, sharing and caring for each other and
- closer to others especially from our community in various ways.

We encourage everyone to be in one- please speak to Toby/Helen or Jane and we will suggest one that you could join.
