Growth Groups

Growth Groups are small groups of people meeting in people's homes fortnightly. The objective of these groups is to:

- grow closer to God through prayer and Bible Study,
- closer to each other- having fun, being friends, sharing and caring for each other and
- closer to others especially from our community in various ways.

We encourage everyone to be in one- please speak to Toby/Helen or Jane and we will suggest one that you could join.

Take a listen: Abi Thomas has just begun producing a series of Hopeful Activists' Podcasts with inspiring stories from Christian activists. In the first, hear about a dramatic change in Halifax's night life, once described as 'the Wild West of Yorkshire'. Hear here: bit.ly/hopeful_1 or on iTunes, Spotify, etc.

If anybody else has good suggestions about other podcasts or books that they think others would like please email me jane@whitfieldparish.org

Communication

Next term I am going to be looking at a review of communication including Grapevine, the website and newsletters. It would be really helpful for me for any feedback or suggestions from you as to what you like, what you would like to see, how you like receiving communication or anything else. Please email me jane@whitfieldparish.org

After discussion at the AGM and PCC, if you would like to see the PCC minutes on a regular basis please email or call the parish office so that we can arrange for you to be sent a copy.
